Dear real estate broker,

You have made an excellent business decision by choosing to affiliate your real estate license with a firm that is part of the REALTOR® organization. As our real estate market moves forward in 2025, Seattle King County REALTORS® is here to help you succeed and thrive.

The REALTOR® Association is the official trade association of the real estate industry with over 1.5 million members nationwide. This professional organization supports those actively engaged in real estate, and provides its members with the information, tools, and resources they need to be successful.

Our collective achievements throughout the past years have brought about positive, cost-effective changes that impact each of us on a daily basis. The Association's work in legislative advocacy at the local and state levels; our commitment to professional standards and ethical practice; and the impact we have on our communities through service cannot happen without the financial and volunteer support from our members.

This packet has important information about joining the Association and membership benefits. Please do not hesitate to contact the Association office with questions by calling 425-974-1011 or emailing realtor@nwrealtor.com. We have a tremendous staff of association professionals who can provide you with needed information and quickly troubleshoot any problem you may be experiencing.

Best wishes for a prosperous year!

As a small business owner, I need someone looking out for me and my interests while I'm focusing on serving my clients.

BECAUSE OF REALTORS®:

- I save \$100s each year on state B&O business taxes.
- I was able to continue my real estate practice and close my transactions 2 days after COVID shut down other businesses in 2020.
- My sellers pay less in REET for homes sold at less than \$1 million.
- All real estate sales are exempt from the new 7% State Capital Gains Tax.
- My independent contractor status is protected from the intrusion of national banks into real estate brokerage.
- My sellers can promote their listings with a reasonable number of signs.
- I can protect my sellers from added costs and delays like energy audits mandated at the point of sale.
- Washington State leads the nation in real estate compensation transparency, protecting my future.
- Fair Housing education is now required in Washington State, protecting all classes of buyers from discrimination.
- Policy makers, builders, and brokers can plan, build, and sell greatly needed middle housing throughout the region.
- Cities and counties are working on zoning laws that will increase the future inventory of affordable housing that my clients need.

REALTORS® are our industry's best, most ethical professionals, working together to make things better for all of us.

REALTOR® Membership – Conditions and Obligations*

REALTOR® membership is billed on an annual basis, and dues payments include membership in the local, state and National Association of REALTORS®.

All active licensees within a REALTOR® brokerage are billed annually for association dues until their license is released by that office. A licensee who transfers to a non-member (non-REALTOR®) office immediately terminates his/her individual REALTOR® membership. Annual dues are non-refundable.

A REALTOR® brokerage membership requires that all licensees within the office pay annual association dues. If a licensee in a member office elects not to join or elects not to pay dues, then the REALTOR® Designated Broker is billed for and obligated to pay that licensee's dues. Non-payment of dues for any licensee in an office may result in the suspension or termination of REALTOR® membership for that office and inactivating the membership status of all licensees within that office.

If you have a concern about payment of your REALTOR® membership, please discuss this with your designated broker.

*The term REALTOR® is a federally registered collective membership mark which identifies a real estate professional who is a member of the National Association and subscribes to its strict Code of Ethics. The National Association's Trademark Rules are available at: www.realtor.org/mmm
